HAPPY 50TH BIRTHDAY TO THE FLYING CLUB!

Club Meetings: Mark your calendar. Every 3rd Sunday.....

Feb 15	6 P.M. Chippewa Municipal Building (Last one here)
Mar 15	BAD Day – New Galilee Fire Hall Banquet Room – 12:00 Noon
Apr 19	2:00 First outside meeting of the year at Zima Field!
May 17	2:00 PM Zima Field
June 21	2:00 PM Zima Field – longest day of the year!

January meeting notes:

We are still looking for a storage building of some type to store our tractor in for the summer. If you have any ideas of what we can use, or if you can get one REALLY cheap, please let me know ASAP. We sure wouldn't want our tractor to disappear... again. Speaking of that subject, if you haven't noticed, our wooden club airplane that flew so high and proud at the end of the benches forever, was vandalized and stolen this past fall/winter. Also I believe that same *\$%#*!\$ drove a quad or something through our field. Just wanted to let everyone know in case you would be driving by or are flying at the field and see something suspicious, you can try to call the police to check it out, but lots of luck with that too. I don't know what the answer is to protect our field and club property. Again, if you have any ideas, please let me know. As you can tell, this situation bothers me. It is all of the club member's property and I would hope everyone feels the same way.

I had fun this month adding pictures to the newsletter as you can see. Thank you so much Ron Safranic for getting the virus out of my computer so I can keep up with the RC

Club files.

Any new changes to address, phone number, or emails, please let me know. I need to update our membership file. I had about 3 membership cards come back to us last year. Never did get the updated addresses.

Welcome to the Club, Chris Carrozza and Richard Stinson. We hope you have many fun days of flying with everyone.

Let's ride together!

Anyone interested in carpooling to swap meets or any RC Event, email me kimkurella@comcast.net.

→ January and February Birthday Wishes!

Some of you are celebrating your birthday in these two months.

Happy Birthday to all and for many more years yet to come! →

Do you have any interesting information to add to the Newsletter? Would love to have some news, information, get well wishes, and so much more to add.

Also...Remember to renew your AMA

We now have 62 members in our Club. There are still 4 members that do not have an AMA membership, so you are not able to fly at the field. Let me know when you join the AMA so I can update my files. There are also 14 members that have expired AMA membership.

CLUB MEETINGS

Let's have some more fun at our monthly meetings. We would like to plan on using our club members to put on programs after the meetings and talk about what they are working on, and show any skills they have that can be shared. Please let us know what you would like to see and also what you would be willing to demonstrate at the meetings. For the February meeting, bring your transmitter and we will discuss any programming features you might have.

B.A.D. Day is coming soon! Be ready to bring your favorite plane and show it off. Lots of table space to display what you've been working on all winter, or just a fun plane that you can't wait to fly whenever the warm weather gets here. Meeting will be at the New Galilee Fire Department. Doors open at 12:00 noon. Meeting at 1:00, then lunch will be ready. We can only hope that the weather will be good enough to go fly afterwards.

EAT N PARK BREAKFAST

All members are invited to come out and join us for our weekly breakfast gathering on Thursday mornings at 8:40 AM. We meet at the Chippewa Eat 'n Park restaurant. Everyone is more than welcome to come out and do a little airplane talk or anything else for that matter while we eat – that's what we do best.
