Newsletter Editor... Kim Kurella724-846-211
BCMAC Web Site: www.beavercountymac.org (sorry it's so old, we need to update it!) Anyone want to take on the Job of the webmaster?

Happy Halloween

October Meeting notes:

Here are some topics that were discussed at the October meeting: Not all are printed on this newsletter. You should really go to the meetings to get the entire "Scoop". And remember, if something happens in the club that you don't like.....well all I can say again is, you should have been there to vote.

- Jim Russell has volunteered to store the tractor for the winter. Thank you Jim!
- New member John Wilson will work on making a roof for our electric box. Thank you John.
- There are club patches for sale for \$4.00 ea. See Tony for the purchase.
- Welcome Ron Safranic to our club.
- Gary Hutchinson and Ron Yeager have been nominated for President of the club, and Paul Sandor for Vice President. Voting will take place at the November meeting.
- Also at the November meeting, nominations for Treasurer, Secretary, and Safety Officer will be taken.
- We had a nice, cool, breezy fall day for our Chili and Hot Dog day. Lots of planes were flying.

AMA Cards

As a friendly reminder, our club rules state that you must post your AMA card on the board when you fly, no exceptions. And if you do not have a current AMA card, you can't even Fly! **Remember to renew your AMA in the next few months.**

October Birthday Wishes!

Some of you are celebrating your birthday this month.
Happy Birthday to all and for many more years yet to come!

Club Meetings: Mark your calendar. Every 3rd Sunday.....

Nov 16	First indoor meeting. 6 P.M. Chippewa Municipal Building (in the back) Election for President and Vice President – Nominations for Treasurer, Secretary and Safety Officer
Dec 21	6 P.M. Chippewa Municipal Building - Election for offices listed above.
Jan 18	6 P.M. Chippewa Municipal Building
Feb 15	6 P.M. Chippewa Municipal Building
Mar 15	BAD Day – New Galilee Fire Hall Banquet Room Time TBA

Club meeting note: This is the time of the year that usually all good things come to an end. Like having our meeting at our flying field and then getting some flight time on our airplanes, but due to cold, windy, snowy weather, we will be moving our meetings indoors. Meetings will be at 6 PM at the Chippewa Township Building on Darlington Road, next to the Beaver County Airport. We will be using the meeting room on the lower level; entrance is in the rear of the building. Hope to see everyone there.

Introductory Pilot Instructor

We now have 3 Intro Pilot Instructors for our club. This program is intended to introduce the non-AMA member to aeromodeling while providing liability insurance coverage to the non-AMA member and the chartered club. A non-AMA member may fly at a chartered club site and receive member liability insurance protection as long as he/she is flying under the direct supervision of a club designated Intro Pilot Instructor. For more information, visit the AMA website. SO, if you have someone that is interested in RC flying, give me a call and we will set them up with an instructor to see if they like it or not, without becoming a member of the AMA. Instructors: Gary Hutchinson, Ron Yeager and CJ Kurella If anyone else would like to become an introductory pilot instructor, let me know.

What are you doing Thursday mornings?

All members are invited to come out and join us for our weekly breakfast gathering on Thursday mornings at 8:40 AM. We meet at the Chippewa Eat 'n Park restaurant. Everyone is more than welcome to come out and do a little airplane talk or anything else for that matter while we eat – that's what we do best. Don't forget to bring an airplane to go to our flying field after breakfast (if the weather permits) and put on a few flights.

OH
