It's time to have our meetings at Zima Memorial Field

This is the month that is like the official start of the flying season. Let's hope that it will get warmer and not so windy so we can blow some of the dust of our planes and go flying. Remember the meetings start at 2 PM every third Sunday of each month.

Past meeting notes:

We are still looking for a storage building of some type to store our tractor in for the summer. If you have any ideas of what we can use, or if you can get one REALLY cheap, please let me know ASAP. We sure wouldn't want our tractor to disappear... again.

If someone has a large amount of block and bricks, we could even build one. The tractor will be back at the field at the next meeting. Let's all think about what we can do to protect it so we don't have to buy another one.

BAD day was fun. I was surprised that there were not as many members as previous years. We had prizes and lots of good food. Hobby Express in Cranberry gave us some hats to give away It's an exciting day because it's our last meeting indoors. Let's hope next Sunday, the 19th, our meeting, is a great day and everyone can fly after.

CLUB MEETINGS

Let's have some more fun at our monthly meetings. We would like to plan on using our club members to put on programs after the meetings and talk about what they are working on, and show any skills they have that can be shared. Please let us know what you would like to see and also what you would be willing to demonstrate at the meetings.

EAT N PARK BREAKFAST

All members are invited to come out and join us for our weekly breakfast gathering on Thursday mornings at 8:40 AM. We meet at the Chippewa Eat 'n Park restaurant. Everyone is more than welcome to come out and do a little airplane talk or anything else for that matter while we eat – that's what we do best. And now that its' getting warmer..... Go fly after breakfast!

Notice: Please do not drive anywhere on the flying field. We will make a handicap spot if you need and request one. Please let me know.
